Dear Chris,

The Board of Trustees is aware that the Dublin City Council will be considering the proposed development of the former Di Manto property off of Tassajara Road near Interstate 580 on Tuesday evening. The Board of Trustees and District staff are neither supporting nor opposing the project at this time. The district staff is regularly meeting with representatives from Shea Properties and Mission Valley Homes. The parties have discussed the overcrowding of our schools and we are exploring potential significant mitigations to reduce the impact of any residential units, should the City Council allow the proposed development to proceed.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Dr. Leslie Boozer  
Superintendent
